

DADS IN THE PICTURE

2013 is here..

Dads In The Picture has seen a lot of growth since its inception, liaising with organisations sharing our vision i.e. FAMSA, Men Of Faith, Fathers for Africa and SAVF. Our interaction with these role players has led us to become part Front Page Fathers Media Campaign. The campaign aimed at creating a network of role players with focus on issues of families and men. Our association with all these role players and a radio interview on Talk Radio 702 in December of 2012, has enabled us to make strides into relevant areas. We now find ourselves associated with causes of men striving to reclaim their rightful role in society. We seek to have provincial representation

through out South Africa , starting in areas like Mafikeng, Mbombela, Polokwane, eThekwini, Nelson Mandela Bay, Cape Town, Mangaung and Upington. In the year 2013, we will be taking the organization to no less than 3 provinces, with the rest of the country expected to be visited in the year 2014. We are in the process of finalizing the registration process as a non-profit organization. We face a few logistical challenges beyond our control, these will not prevent us from Delivering on our mandate.

The chairman of the organization Mr Meshack Kekana was interviewed on 13th December 2012 Talk Radio 702 by Redi Tlhabi.

Hoping to change the world with a childhood dream seemed a tall order on any day.

The best move was Sharing with friends and joining Hand to make it a reality. This has been a humbling experience. Humbled to be amongst DADS looking to reassure future generations that their brothers, uncles, fathers and grandfathers have heeded the call. The men are no longer going to be mere breadwinners whilst absent in their lives!

EBENEZER House Of Hope

On Saturday 3rd February we had an opportunity to put a smile on faces of abandoned and needy children. In collaboration with Emperors Motorcycle Club and Pick n' Pay Wonderboom Junction, we collected toys, groceries and cash. These were donated to Ebenezer House of Hope in Temba, Hammaskraal!

Where we went...
